PROFESSIONAL SUMMARY

Detail-oriented Junior Frontend Developer with 1 year of professional experience building responsive, scalable web applications using React.js and Next.js. Adept at developing reusable UI components, integrating RESTful APIs, and delivering pixel-perfect interfaces with Material UI and Tailwind CSS. Experienced in remote collaboration with cross-functional teams in an international (Saudi-based) environment.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), TypeScript, HTML5, CSS3
Frameworks & Libraries: React.js, Next.js, Framer Motion
Styling & UI: Material UI (MUI), Tailwind CSS, Bootstrap 5, Responsive Design
Tools & Workflow: Git & GitHub, RESTful API Integration, Internationalization (i18n)
CI/CD & Deployment: GitHub Actions, CI/CD Pipelines, Automated Builds & Deployment
Practices: Reusable Component Architecture, Cross-Browser Compatibility, Remote Team Collaboration

PROFESSIONAL EXPERIENCE

Frontend Developer | 1 Year
Sanad Company, Saudi Arabia (Remote)

- Developed and maintained responsive, cross-browser web interfaces using React.js and Next.js, ensuring consistent performance across devices and screen sizes.
- Built a library of reusable, modular UI components with Material UI, improving development speed and design consistency across the application.
- Integrated RESTful APIs to deliver dynamic, data-driven features and a seamless end-user experience.
- Implemented multilingual support using i18n, enabling the application to serve users across multiple languages and regions.
- Set up and maintained CI/CD pipelines with GitHub Actions to automate builds, testing, and deployment, reducing manual release effort and improving delivery speed.
- Collaborated effectively with remote, cross-functional teams using Git and GitHub for version control, branching, and code reviews.

PROJECTS

E-Commerce Storefront | React.js, Next.js, TypeScript, Tailwind CSS

- Built a responsive online store with product catalog, search and filtering, cart, and a multi-step checkout flow.
- Integrated RESTful APIs for products and orders, and added bilingual (Arabic/English) support using i18n.

Admin Analytics Dashboard | Next.js, TypeScript, Material UI

- Developed an analytics dashboard with reusable data tables, interactive charts, and role-based views.
- Set up an automated CI/CD pipeline with GitHub Actions for builds, testing, and deployment.

Personal Portfolio Website | Next.js, Tailwind CSS, Framer Motion

- Designed and built a fully responsive portfolio site with smooth animations and SEO optimization.

EDUCATION

Bachelor of Arts in Sociology
Ain Shams University, Faculty of Women for Arts, Science & Education, Cairo, Egypt
Grade: Very Good | Graduated 2022

CERTIFICATIONS & TRAINING

- Frontend Development Diploma, Route Academy
- Programming Fundamentals (C++), ERA Soft

LANGUAGES

Arabic (Native) | English (Professional Working Proficiency)
